## Neonatal Microbiome Development and Probiotics

### PRESENTED VIA WEBINAR

6:00 PM - 7:00 PM MT  
(Please be sure to arrive  
before the 6:00 PM start time.)

### DINNER LOCATION:

Jay's Bistro  
135 West Oak Street Fort  
Collins, Colorado 80524

### Jonathan Blau, MD, FAAP

Dr. Jonathan Blau serves as Director of Neonatology at Staten Island University Hospital - Northwell Health. His academic appointment is Associate Professor of Pediatrics at the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell. He headed a working group that created the Northwell Health Neonatal Nutrition Guidelines and created a formal program to improve communication between the NICU and primary care pediatricians regarding nutritional discharge plans of premature infants.

### PROGRAM OBJECTIVES:

- Development of gut microbiome in preterm infants
- Clinical evidence and use of probiotics in preterm infants
